

## Blackboard 8 Requirements – 2008-2009

*Instructional Technology Development / Information Services – SAC 284, Lincoln Park*

Listed below are the supported operating systems and browsers for use with the Blackboard Academic Suite. The Academic Suite is a web-based application and other browsers and operating system may work, however, the listed configurations are the only configurations tested and supported by Blackboard.

### Notes:

All configurations marked as Compatible have undergone a limited engineering analysis to test areas of the Blackboard Academic Suite that may have browser issues.

Term	Definition
Certified	Fully tested and supported
Compatible	Key application areas tested
Not tested	Specified Browser is not supported for the Operating System
Provisional	Will test on Beta versions of new platforms and browsers. Certification is dependent on release by 3rd parties.
