

Change the Appearance and Availability of Buttons in Blackboard:

Change the appearance and availability of buttons:

- Use the **Control Panel**.
- Under Course Options, choose **Course Images**, then **Button Style**.
- Choose the color and style of button you'd like.
- Click **Submit**.

Return to **Course Options** for availability of buttons.

- Choose **Course Settings**, then **Area Availability**.
- Use the drop-down menus to choose a heading for each button (be careful not to have duplicates!).
- Select **Enable** next to those you'd like to have appear and **Disable** next to those you'd like hidden.
- Secure those you'd like available only to your enrolled students.
- Click **Submit**.
